## 9 Star Ki Prediction - personal & news events

[Heluo's blog for study plan class dates - in English](#) / [Heluo's blog for study plan class dates - in Dutch](#)

Learn from one of  
today's foremost  
9 Star Ki adepts

Profoundly decisive for a reason, here's your **one stop specialization** in *all of 9 Stars* and Luoshu syntax for divination. Join to hear never disclosed and new prediction tools. Be amazed as you take on any past-present-future news event, while you'd be doing sensational forecasting for anyone's life progression. Greatly valued by Feng Shui consultants, as we exemplify why 9 Ki annual- and monthly Stars **cannot be made to fit factors of San Yuan timeliness** once applied for Flying Star charts.

## Four Pillars of Destiny Ba Zi

[Heluo's blog for study plan class dates - in English](#) / [Heluo's blog for study plan class dates - in Dutch](#)

Far exceed those emblematic rules in Chinese astrology and perform as the true diviner others may rely on for expertise. Not just your next class, your practice will not be the same as we'd reach well beyond mere Xu Ziping Bazi standards. Learn **why** Bazi is more than 'astrology', until you said 'brilliant, now I got it'. Besides reading Bazi charts conventionally and along [Heluo's tested supplementary method](#), you'll be constructing horoscopes in minutes using just easy formula.

## Flying Star Feng Shui

[Heluo's blog for study plan class dates - in English](#) / [Heluo's blog for study plan class dates - in Dutch](#)

Your thorough and lasting learning experience in Flying Star Feng Shui. Hear the true face of 5 Yellow, while we'd tackle one after the other red herring for you. Besides studying the many layers to Xuan Kong, there's things you want to hear on raw cosmology, while you may let Heluo complement any incompleting notes you may have gathered so far or have those standing 'contradictions' cleared.

## Nine Star Ki Japanese Astrology

[Heluo's blog for study plan class dates - in English](#) / [Heluo's blog for study plan class dates - in Dutch](#)

Exceptional **consultant level** training that will make for a lasting difference, enabling you to reveal character, fate and commit to professional life readings. Heluo will disclose technique that you never knew was there in 9 Ki. You'll work from a new vision into character, relationships, marriage, sign *compatibility*, health and fate.

# General information and spirit of class

Heluo Qi Explorations Netherlands is a not-for-profit school and consultation practice offering comprehensive vocational training in traditional Oriental metaphysical systems for time, space and destiny studies since 1997.

[Besides on this page, you will find even more extensive class descriptions and general information on Heluo's blog.](#)

**No matter your training history or if you are still a beginner, you may read 'Why train with Heluo'**

[Given such vast number of programs and teachers out there, it was only a matter of time or more and more of our students telling me at one point they had been clueless as to where to still turn for sustained learning. What school or teacher to pick, if only to bypass even more unfinished class notes, unattended questions, contradictory teaching, confusion. You may wish to read Why train with Heluo.](#)

## Comprehensive, authentic and competitive teaching

While each 4-day master class exists on its own, you may of course combine studies. So as to secure your full personal autonomy and immediately upon our teaching Qi studies in 1979, away we did with beginner-intermediate-advanced. We've been with our program **Professional Destiny Consultant** since 1997, and we are glad that professionals and our colleagues from 22 countries have joined us.

## Class manuals and study points

Each one of our self-published books is a comprehensive master class on its own account, containing substantial teaching, carefully composed to accompany you for many years after class (380-650 pages), [see education and sample pages](#). Each live master class or Distance Learning Private Teaching Option A renders 4 study points and certificate, while 12 points gives diploma **Professional Destiny Consultant**.

## Teaching venue and how we guard your budget

Only a lion would be guarding your budget as we have. We'd welcome you in our own permanent classroom with a maximum of 8 fellow students, which is only exactly why you'd not be charged through the ceiling. We don't need to, while we feel strong about neither one of us should dread fancy venues or even having our students stay in luxury hotel rooms that would only have your \$ tick away by the minute as we're in class. Saving drastically on air fare, our *One Module Only* style only further ensures you'd travel in once only in order to gather complete teaching.

## B&B and going on your trip

Again budget - and as I believe there should be no thing on our minds than just the sheer training of it - we maintain friendly contacts with your nearby B&B, so that you will be charged a comfortable € 25,00 only (comparably, we see going rates for even some B&B touch € 60,00). Either way, you won't be feeling lost in a strange country, as we'll make sure to send you personalized travel pdf, including your bus schedules, Google Earth coordinates, convenient aerial photos.

## Information, subscription and payment

Contact us with any of your questions. In order to subscribe, simply send us email at [heluo@xs4all.nl](mailto:heluo@xs4all.nl) with your personal data, or you may give us a phone call any afternoon (GMT+1), announcing your participation. No down payments required.

Class fee to be paid at the door. Fees include VAT, manual, lunch, coffee/tea.

## Early bird and your discount same trip or season

Early Bird € 45,00 if paid 49 days before class. You may take € 45,00 discount for second class, third class € 95,00, fourth class € 150,00 same trip or season.

# Distance Learning Private Teaching or your Home Study Manual if you wish to learn but you cannot travel

[Send Heluo your email if you'd like to receive more detailed file on distance learning or if you'd like to obtain our class books](#)

## Distance Learning Private Teaching – Option A

Most our private students have been established professionals of all niche with a name to lose

Heluo will be your personal trainer for 2 months of dynamic exchange. Highly confidential, thereby favored by practising professionals and those with long endured training histories as "again I dare ask questions". As we navigate your ship far across common standards or just plain technique, you'd see revealed what would elsewhere remain undisclosed, boosting your skill, knowledge and wisdom. Besides obtaining your manual, an extensive and ever growing Word file be going back and forth between us all the time to ascertain expertise, completely *written on your person*, setting you aside from others. Tell us your training history, if you are – or aspire to be - a professional, your aspirations and the objectives you see for yourself concerning studies and we'll be able to ensure your highly exclusive and fully tailored learning experience with lasting impact on your personal life and professional practice. As we devote to each single student one at the time, waiting list and distance learning student stop may apply.

## Home Study Manual – Option B

Your personal autonomy in mind, you may be studying our manuals in the privacy of your home.

Receive comprehensive manual as your home study correspondence course, each class book containing what some divide by a string of separate titles, while chances are even then you'd feel left with just rudimentary or mandatory text. As you are studying, you may collect and send in your questions pertaining manual content which Heluo will clarify through extensive Word file, fully written on your person and an essay by itself.

## Supplementary training module for sustained learning

By this venue we provide supplementary private training for (non) students. Whether after completing any study - or if you haven't studied with us but you are a serious practitioner wishing to further build on your skill - you may apply for our *training on demand* through Word file. You may put forward any topic, issue or questions. Each module will be composed as a full teaching, extensively minding your technical, cosmological or existential questions, fully tailored and written on your person.

## Going the extra mile in coaching, horoscopes and life readings

Heluo is known for being a driven teacher and private existential coach since 1979.

Besides our school transmits just sound technique on account of Qi studies, our internationally positioned program specifically aims to reach importantly beyond going standards. To be minding fate and (re)gain momentum in the life is a serious matter, entailing only precision. Qi arts and your autonomy mean everything to us, as we offer ultimately profound and comprehensive vocational education, allowing for a whole new perspective on Yi, cosmology and Human Qi. Ask for your Feng Shui audit or life reading. Several options apply, starting from ad hoc sessions, to fully written (hand made, no computer generated materials ever) 9 Star Ki or Four Pillars reports.
